PROGRAM EXPECTATIONS

Students who **don't attend a Catholic High School** or receive Home School Catholic Formation **must enroll** in Holy Family/St. Robert Religious Ed for the 9th and 10th grades to prepare for Confirmation in the 11th grade. Students who attend a Catholic High School or Home School Catholic Formation in the 9th and 10th grade are always welcome and encouraged to join us.

Any student who wants to receive the **Sacrament of Confirmation** in our parishes **must enroll** in 11th grade Confirmation that year.

Students enrolled in the program during their 9th and 10th grade year will receive lessons formed to help them learn the Catholic faith in preparation for their Confirmation, when they will make their own choice in commitment to the faith.

CLASSES

Each grade level will gather at classes on Sunday evenings twice a month from 7—8:30 pm. These will typically begin in a large group setting with the introduction to a lesson. Students will then split up into small groups, led by two volunteer leaders, to participate in discussion. Your student will receive a journal at the first class, we expect them to bring it to each of the following classes!

Our goal is to create a space where students are comfortable asking questions about their faith and how to incorporate it into their daily lives.

Classes during the first semester (September—December) will be held at St. Robert, and classes during the second semester (January—April) will be held at Holy Family.

ATTENDANCE

We expect students to attend every class. We have a great crew of volunteers who have already committed their evenings to spend with your students, and it's a disappointment when they are not there!

However, we understand that certain things come up that hinder the opportunity to attend. Although we will not require a make up for 9th and 10th grade missed classes, we will enforce an attendance policy during the 11th grade Confirmation year. It is a good practice to prepare students for the commitment of Confirmation year to not miss more than three classes.

Our hope is that students' Catholic faith is a priority in their busy lives, as they equip themselves in God's truth to live as their authentic selves.

HEALTH & SAFETY

Safety and health is a top priority for all our students and volunteers. If your student is not feeling well, please keep them home to rest!

If any issues or injuries come up throughout the year, please communicate them to Caitlin so we can accommodate you!

CIRCLE OF GRACE

The *Circle of Grace* program is a new Safe Environment curriculum created by the Archdiocese of Omaha. Our Archdiocese of Milwaukee is requiring these lesson for all Religious Education grades K-12. Please read below more information directly from the *Circle of Grace* creators.

Out of concern for all God's people and in response to the United States Conference of Catholic Bishops' Charter for the Protection of Children and Young People, we have a program for the safe environment education of children and young people supported and mandated by

"Diocese/eparchies will establish 'safe environment' programs. They will cooperate with parents, civil authorities, educators, and community organizations to provide education and training for children, youth, parents, ministers, educators, and others about ways to make and maintain a safe environment for children. Dioceses/eparchies will make clear to clergy and members of the community the standards of conduct for clergy and other persons in positions of trust with regard to sexual abuse."

Article 12 – Charter for the Protection of Children and Young People

This program is called *Circle of Grace*. It is meant to supplement and be integrated into the excellent programs and curricula for the formation of children and young people in our schools and religious education programs. Circle of Grace aims to equip our children and young people by arming them with essential knowledge and skills grounded in the richness of our faith. This program helps children and young people to understand their own (and other's) dignity in mind, body, and spirit.

What is a Circle of Grace?

The Catholic Church teaches that God has created each of us as unique and special. Genesis 1:27 tells us that we are created "male and female in God's image" and that God saw this as "very good." In that goodness, we are meant to respect ourselves and everyone else as persons created and loved by God.

Adults assist children/young people to recognize God's love by helping them to understand that each of us lives and moves in a Circle of Grace. You can imagine your own Circle of Grace by putting your arms above your head then circle down in front of your body including side to side. This circle, front to back, holds who you are in your body and through your senses. It holds your very essence in mind, heart, soul, and sexuality.

Why is it important to help our children/young people understand the Circle of Grace?

God intends our relationships in life to be experiences of divine love. Respectful, nurturing, loving relationships increase our understanding of our own value and help us to love others. It is never too early to help children/young people understand how very special they are and how relationships in life are called to be sacred. Understanding this can help them to protect the special person they are and to be respectful of others.

Adults, as they strive to provide a safe and protective environment, hold the responsibility to help children/young people understand and respect their own dignity and that of others. A truly safe and protective environment is one where children/young people recognize when they are safe or unsafe and know how to bring their concerns, fears, and uncertainties to the trusted adults in their lives.

How is the Circle of Grace Program different from other protection programs?

Many protection programs focus on "stranger danger," however, up to ninety percent of the time the perpetrator is a relative, family friend or other person known to the child/young person. Circle of Grace goes beyond just protection by helping children/young people understand the sacredness of who they are and how to seek help through their relationships with trusted adults.

YOUTH MINISTRY OPPORTUNITIES

Outside of Religious Education classes, our Youth Ministry program is providing other opportunities for growth in faith and community. These events will regularly take place on Sunday evenings that do not have Religious Education classes scheduled from 7:00 - 8:30 PM.

These evenings are **not required** for your student to attend. **They are open to all High School students from any parish, high school, and faith background.** A regular evening will include 30 minutes of gathering time for students to eat snacks, play games, and catch up with each other. This will be followed by an hour of the specific activity we have planned for the evening.

RENEW 2nd Sunday of the Month 7 - 8:30 PM

Being a high school student can be exhausting: keeping up with classes, extra-curriculars, social events, work, family, and more. We understand that our students are in need of a time and space to just *be*. We know how important rest is for physical and emotional health. It is just as vital for spiritual health, too!

Our Renew evenings will help us to do just that - renew ourselves in prayer before the Lord. We will offer and teach a variety of prayer methods that students can utilize. However, our main focus will be Eucharistic Adoration: praying before the exposed Blessed Sacrament with praise and adoration.

Our Renew events will take place on the 2nd Sunday of each month during the school year. There is an exception for the month of April where the Renew night will be on the first Sunday (April 7) since many students may be returning from Spring Break.

The location for Renew will likely travel more than any other program. We will be collaborating with other parishes. Please look to the calendar or announcements for the specific location by date.

COMMUNITY 4th Sunday of the Month 7 - 8:30 PM

Jesus himself built a community with his disciples. We are following his example and giving our students the time and space to build their own community within our parishes. Our community nights will be fun, activity-based evenings or service opportunities. Expect games, sports, movies, crafts, and more! There will definitely be some classic Nintendo Wii *Just Dance* competitions (if that's still considered cool).

The location for Community nights will correlate to which parish location we are currently at for our Religious Ed classes (1st Semester: St. Robert, 2nd Semester: Holy Family), unless otherwise stated. There may be some off-site activities.

We also want to offer a few service opportunities that would take the place of our Community nights. These may need to be scheduled for a different day of the week. Please watch the calendar and announcements for any changes.
